

Insurance Clients Say...

“We could not have come this far without your hard work. We want to acknowledge the key role that Influent has played in our success.”

“You guys are a true high quality provider of telemarketing services. When you send us a sale, it sticks. This is quickly apparent in the statistical modeling process when the call disposition record is matched against the enrollment record. Almost identical. Best in the business. Super job!”

“I like working with Influent; the major reason is that you guys give us the "red carpet" treatment - and you know we don't always deserve such preferential attention. But everyone at Influent has always been accommodating, professional and willing to help. Oh yeah, your agents are great, too. Best group of reps I've ever worked with.”

“Looking at the results over the last few weeks, I do not think we could possibly be doing any better.”

“You guys are God!!! You have no idea how great this program is making my life right now!”
